

Quarterly Budget Report

Dorothy · Classification 4 · BlueBerry Care

Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's care funding for this quarter hasn't been used at all, which is unusual and worth looking into quickly. With zero days remaining in the quarter and a full \$6,681.60 unspent, it suggests her support services either haven't started yet or there's been a gap in arranging her care. The good news is her budget is there and ready to use, but the concerning part is that she may not be getting the help she needs right now. I'd recommend reaching out to her aged care coordinator or provider this week to understand what's happened and get her services back on track, because funding that isn't used gets lost and can't be carried forward. Dorothy deserves the support her family has arranged for her, so getting clarity on this quickly will make a real difference.
