

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care

FY2026 · 1 July 2025 – 30 June 2026

Summary

Dorothy's government funding is being used carefully, with just 3.5% of her lifetime budget spent so far. However, there's something important you need to know: her current classification means she has no annual entitlement for the next financial year, so any future care costs would need to come from her family contribution or the remaining lifetime pool. It's worth reviewing her classification with her support coordinator soon to understand whether this might change as her needs evolve. For now, you're tracking well within budget, but planning ahead for potential changes will help you manage her care smoothly.
