

Quarterly Budget Report

Dorothy Smith · Classification 4 · BlueBerry Care
Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's support funding for this quarter hasn't been used at all, which is unusual and worth investigating straightaway. With zero days remaining in the quarter and the full \$6,681.60 unspent, it looks like services may not have started or there's been a gap in her care arrangements. The most important thing to check right now is whether Dorothy is actually receiving the in-home support she needs, because this level of spending suggests something has stalled in the process. I'd suggest contacting her aged care coordinator or provider to confirm services are in place and running smoothly, as unused funding can sometimes be lost if not claimed within the quarter.
