

Quarterly Budget Report

Dorothy · Classification 4 · BlueBerry Care

Q4 FY2026 · 2026-04-01 to 2026-06-30

Summary

Dorothy's support budget for this quarter hasn't been used at all, which is unusual and worth investigating straightaway. With zero days remaining in the quarter and no services accessed, there's a real risk that this \$6,681.60 will be lost if you don't act quickly. It's possible there's been a delay in setting up her care plan or arranging providers, so I'd suggest ringing your support coordinator this week to understand what's happened and get services started immediately. Once you know what the hold-up is, you can make sure Dorothy gets the help she needs and doesn't miss out on the funding that's been allocated for her care.
