

Quarterly Budget Report

Mum · Classification 4 · TestCare

Q1 FY2027 · 2026-07-01 to 2026-09-30

Summary

Mum's support budget for this quarter is \$6,681.60, and so far no services have been claimed or paid for. With 29 days remaining in the quarter, the full amount is still available to use. There are no red flags in the data, and Mum hasn't used any of the care management cap yet. It would be worth checking whether services have been arranged but not yet invoiced, or whether there's a delay in getting support started that needs sorting out.
