

Quarterly Budget Report

Dorothy Smith · Classification 4 · BlueBerry Care

Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's full quarterly budget of \$6,681.60 hasn't been used at all, which means no services have been arranged or delivered during this three-month period. This is the most important thing to address right away, as it suggests something may have stalled in setting up her care plan. Whether it's a delay in organising support, a change in circumstances, or an administrative hiccup, it's worth checking in with the aged care coordinator to understand what's happened and get Dorothy's support started. With a Level 4 package, she's entitled to meaningful help at home, and the funds sitting unused won't carry over indefinitely.
