

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 , 30 June 2025

Summary

Dorothy's support package hasn't been activated yet, which means no funding has flowed through and no services are running. You'll want to follow up with the NDIS coordinator soon to confirm the plan approval is processing and to arrange when services can actually start, because right now there's nothing in place to help with her care. The good news is her lifetime budget of just under \$138,000 is ready to go once this is sorted, so there shouldn't be delays once the paperwork is finalised.
