DSignificant concerns — consider your options

Summary

We've found serious problems with Dorothy's BlueBerry Care account that you need to act on straight away. Out of 32 statements we checked, 31 of them contained billing irregularities adding up to over \$8,350, and there's been no actual service delivery recorded at all. The provider hasn't responded to our attempts to contact them either, which is concerning. This means you're likely paying for care that either isn't happening or isn't being properly documented, so your first step should be to contact BlueBerry Care directly to ask for a full explanation of these charges and what services Dorothy is actually receiving.
