Quarterly Budget Report

Sam Burke · Classification 6 · Blueberry Care

Q3 FY2026 · 2026-01-01 to 2026-03-31

Summary

Your Support at Home budget for this quarter was $11,107.19, but you haven't used any of it so far. With no days remaining in the quarter, this means the full amount will go unspent and won't carry over to next quarter. It's worth checking in with your care coordinator to make sure your services are set up and running as planned, as there may be a gap between what was approved and what's actually being delivered. Getting this sorted early will help you make the most of your next quarter's funding.
