

Quarterly Budget Report

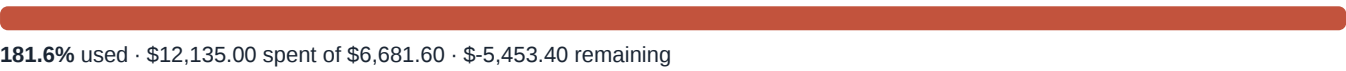

Dorothy · Classification 4 · BlueBerry Care

Q4 FY2026 · 2026-04-01 to 2026-06-30

Summary

Dorothy's care costs have significantly exceeded her budget this quarter, with spending at 182 percent of what was approved. With just 27 days remaining and already \$5,453 over budget, her care plan needs urgent attention from her support coordinator to understand what's driving these extra costs and whether her funding level needs adjustment. The good news is that her care management services haven't been used yet, which means there's room to get professional help sorting through this without additional expense. I'd recommend reaching out to her coordinator this week to have an honest conversation about whether these overspend costs are temporary or reflect a genuine change in her care needs.
