

Annual Financial Summary

Dorothy · Classification 4 · BlueBerry Care

FY2026 · 1 July 2025 – 30 June 2026

Summary

Dorothy's support package is set up well for the year ahead, with the government covering most of her care costs at \$20,837 while you'll contribute \$4,804. The good news is that she's only used 3.6% of her lifetime funding, which means there's plenty of room to increase her support if her needs change over time. Her annual entitlement of \$29,696 gives her a comfortable safety net, and you're currently tracking within budget. The main thing to keep an eye on is whether her care needs shift—if Dorothy needs more help than what's currently planned, you have the flexibility to adjust her support package without running into funding limits for quite some time.
