

Annual Financial Summary

Dorothy · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 – 30 June 2025

Summary

Dorothy's care package hasn't started drawing down any funds yet, which means either the services haven't begun or there's been a delay in processing. The good news is she has a substantial lifetime budget of \$135,318.69 available to her, and at her current classification level she's entitled to \$29,696 per year, so there's real support waiting to happen. The most important thing to check right now is whether her care services have actually commenced with the provider, as you want to make sure she's receiving the help she's eligible for rather than funds sitting unused. Once services do start, keep an eye on the spending reports so you can track what's being used and plan ahead for her changing needs.
