

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 – 30 June 2025

Summary

Dorothy's support plan hasn't been activated yet, which means no care services are being funded or delivered at the moment. You have access to nearly \$138,000 in lifetime funding through the NDIS, but none of it has been drawn down, so it's worth checking with Dorothy's planning team about whether there are services she needs that should be starting soon. The most important thing to clarify right now is whether this is intentional (perhaps her care needs are being met another way) or whether there's been a delay in getting her support package up and running. Once services do begin, you'll have a solid budget to work with that should cover her needs for quite some time.
