

Annual Financial Summary

Dorothy · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 – 30 June 2025

Summary

Dorothy's care package hasn't been activated yet, so no funds have been drawn down in FY2025. The good news is she has a full annual entitlement of \$29,696 available to her, and she's used none of her lifetime cap of \$135,318.69, which gives you plenty of room to arrange her support. The most important thing to focus on now is getting her care plan finalised and services started, so she can begin accessing the help she needs. Once services are in place, you'll see these numbers change to reflect what's actually being spent on her care each week.
