

Quarterly Budget Report

Dorothy Smith · Classification 4 · BlueBerry Care
Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's full quarterly budget of \$6,681.60 hasn't been used at all, which is unusual and worth investigating. With no days remaining in this quarter, this money has now expired and can't be carried forward. The most important thing to check is whether Dorothy actually received the support she needs during these three months, or whether there's been a problem with how services were arranged or invoiced. I'd suggest contacting her care coordinator promptly to understand what happened and make sure her care plan for the next quarter is set up properly so her support gets delivered and paid for without any gaps.
