

Quarterly Budget Report

Dorothy · Classification 4 · BlueBerry Care

Q4 FY2026 · 2026-04-01 to 2026-06-30

Summary

Dorothy's care costs have run significantly over budget this quarter, with spending at 182 percent of the allocated amount, leaving a shortfall of \$5,453.40 with only 27 days remaining in the period. The high number of anomalies (50) suggests there may be billing irregularities or unexpected service changes that deserve your immediate attention, as this could explain part of the overspend. With no care management budget used yet, there's an opportunity to work with Dorothy's support coordinator to review what's driving these costs and see if services can be adjusted or better coordinated going forward. The most important thing to focus on right now is understanding those 50 anomalies, as resolving billing issues or clarifying what services Dorothy actually needs could make a real difference to your family's costs.
