

Annual Financial Summary

Dorothy · Classification 4 · BlueBerry Care

FY2026 · 1 July 2025 – 30 June 2026

Summary

Dorothy's support package is well under budget at just 3.6% of her lifetime allocation used, which means you have good flexibility for her care needs over the coming years. The government is covering most costs at around \$20,800 annually while you're contributing about \$4,800, and her annual entitlement of nearly \$30,000 gives you room to increase support if her needs change. The main thing to watch is that as Dorothy ages, her care requirements may shift, so it's worth reviewing her plan each year to ensure the support matches what she actually needs rather than leaving money unused.
