

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care
FY2025 · 1 July 2024 , 30 June 2025

Summary

Dorothy's NDIS funding hasn't started yet, which is why you're seeing zeros across the board. The good news is she has a lifetime cap of nearly \$138,000 available to her, which is a solid amount for support at home. You'll want to check with the NDIS when her plan is set to begin, as there may be paperwork or approvals still in progress. Once it kicks in, you'll be able to access those funds for her care needs right away.
