

Quarterly Budget Report

Nelson Smith · Glorious Services

Q4 FY2026 · 2026-04-01 to 2026-06-30

Summary

Nelson hasn't used any of his support funding this quarter, which is unusual and worth investigating straight away. With zero days remaining in the quarter, there's no time left to access the services he's approved for, meaning the full \$6,681.60 will go unused. This could happen if the care provider didn't invoice, the services weren't actually delivered, or there's been a mix-up with how his plan is set up. I'd suggest contacting his support coordinator and care provider urgently to find out what's happened and make sure his next quarter's funding actually gets used. It's important Nelson gets the care he's entitled to rather than losing this money.
