DSignificant concerns — consider your options

Summary

I'm concerned about what we're seeing with BlueBerry Care's service to Dorothy. Out of 28 billing statements we reviewed, nearly all of them (27) contained discrepancies totalling \$7,862, and the provider hasn't responded to our requests for clarification. The most urgent thing you need to do is contact BlueBerry Care directly to ask for itemised invoices and a full explanation of these charges before you pay any further invoices. This level of billing irregularity combined with no communication back to you suggests you need to have a serious conversation with their management about whether they're the right fit for Dorothy's care going forward.
