

Quarterly Budget Report

Dorothy Smith · Classification 4 · BlueBerry Care

Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's full quarterly budget of \$6,681.60 hasn't been spent at all, which is unusual and worth investigating straight away. With the quarter now complete, it's important to understand why no care support was accessed during this three-month period, especially since Dorothy is approved for Level 4 support. This could mean either the services weren't arranged, there was a change in circumstances, or there may be a gap between what Dorothy needs and what's been organised. We'd suggest checking in with her support coordinator to clarify what's happening and make sure she's getting the help she's entitled to in the coming quarter.
