

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 – 30 June 2025

Summary

Dorothy's care package hasn't started yet, so there's nothing to report on spending at this stage. You have a lifetime budget of \$137,917.01 available to use, which gives you plenty of room to arrange her support when you're ready. The most important thing to do next is to work with your aged care coordinator to get her plan activated so the funding can actually flow through and her care can begin. Once her services start, you'll be able to see how much is being spent against this budget each month.
