

Annual Financial Summary

Dorothy Smith · Classification 4 · BlueBerry Care

FY2025 · 1 July 2024 – 30 June 2025

Summary

Dorothy hasn't used any of her NDIS funding yet this financial year, which means she still has her full lifetime budget of \$137,917 available to her. With her Classification 4 status, she's entitled to receive support, but no funds have been drawn down or arranged so far. The most important thing to check is whether Dorothy's care plan is actually set up and ready to go, because having an approved budget means nothing if the services aren't being organised. You'll want to reach out to her NDIS planner or support coordinator to make sure everything is in place so she can start accessing the help she needs.
