

Quarterly Budget Report

Dorothy Smith · Classification 4 · BlueBerry Care
Q1 FY2025 · 2024-07-01 to 2024-09-30

Summary

Dorothy's care package hasn't been used at all during this quarter, which is worth investigating promptly. With a Level 4 allocation (the highest need level), she's entitled to substantial support, and zero spending suggests either the services haven't started yet, there's been a delay in getting providers arranged, or something else is preventing access to her care. The full \$6,681.60 remaining is good news for her budget, but the real priority right now is making sure Dorothy is actually getting the help she's approved for, because this level of support exists for a reason. I'd recommend checking in with her care coordinator or provider to understand what's happening and get services activated as soon as possible.
